NEW INFORMATION

Virtual NC Check Ins: NCVA is moving to virtual testing for the NC Check Ins with permission from the state. You will NOT need to come in person for the NC Check Ins. You will still have an assigned time to take the test with your teachers, but you will be able to attend testing from wherever you normally are during live class connect sessions. Please make sure you are still available to test on the days listed below, as makeups will be limited.

Class Attendance Reminders: Per NCVA policy, students that are not in class at least 30 minutes may be counted as absent for that session, which will negatively impact monthly participation grades unless made up. If this happens, students should make up any missed work in the same way they would if they were absent from the whole session. **Remember, monthly participation grades will go in next week, so there is a limited amount of time to make up any missing work.**

Upcoming Events:

- Tentative Oct. Outing: 10/7
- VIRTUAL Testing: 10/17-10/21

REMINDERS

General Reminders:

- **LOG ATTENDANCE DAILY** for both online class connections **AND** any offline work.
- Students should be logging six (6) hours every school day.
- Be sure to attend all class connect sessions. If you are unable to attend, please reach out to that teacher.
Remember, class connect attendance and participation are part of your student's grade.

Go Formative Reminders:

- For Weekly Classroom Formatives (Non-Unit Assessments):
 - They are open from Friday at 8 am until the following Monday at 5pm.
 - Please wait until your last class of the week to take that subject's Formative exam.
- Unit Assessment Formatives
 - They are open for one week from the date assigned. The assignment will be found in the OLS.
- For **ALL** Formatives:
 - If it is not completed by the due date, it is entered as a zero in the gradebook.
 - Students **only have 1 attempt**. Take your time and do your best work!

IXL Reminder:

- All students will be given login information for IXL. Once they have their login, please have your student work for 20 minutes, 3 times per week, in Math and in Reading.
