

# Suggestions for summer work

## ELA:

- Read at least 3 days a week
- Explore these sites:

<https://www.activityvillage.co.uk/holiday-journals>

<http://www.readworks.org/>

<http://storybird.com/>

<http://www.readwritethink.org/>

## Math:

<http://www.multiplication.com/games/all-games>

<http://www.coolmath-games.com/>

<http://www.mathplayground.com/>

<https://www.splashmath.com/>

<https://xtramath.org/#/home/index>

## Science:

- Try new experiments
- Pick your favorite topic, and learn more about it
- Explore interactive science websites

<https://sciencebob.com/category/experiments/>

<http://discoverykids.com/>

<http://www.sciencekids.co.nz/projects.html>

## Social Studies/History:

- Visit local museums

<http://kids.nationalgeographic.com/>

<http://teacher.scholastic.com/activities/globaltrek/>

## EXTRA:

- Work on typing skills using fun websites like:

<https://www.typinggames.zone/>

<http://www.typingadventure.com/index.php?mod=game>

- Complete practice work attached.
