

This Month at a Glance:

Reading: Key Details, Characters, Setting, Events, and unfamiliar vocabulary words.

Math: Identify and describe shapes, classify objects into categories, count to answer "how many?", and practice writing numbers.

*Please be sure that if your child cannot attend a live class session, email the teacher, watch the recording, and complete any missed activities.

*FYI: The OLS system does track whether students watch the recording or not.

Supplemental Time Idea:

- Your student can play dress up, pretend play, and build with blocks.
- Here's an article about the benefits of playing dress up.
- You can log 1 to 1 1/2 hours each day for Supplemental Time.
